

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

AMERICAN STRATEGIC INSURANCE
 CORP.,

Plaintiff,

v.

NHU-NGUYEN Q DO, et al.,

Defendants.

Case No. 2:25-cv-00696-NJK¹

Order

[Docket No. 13]

Pending before the Court is a motion to extend the deadline to respond to the complaint. Docket No. 13; *see also* Docket No. 14 (joinder). The Court required that any response be filed by June 26, 2025. Docket No. 17. No response was filed. Defendants are both *pro se* litigants and they seek 30 to 60 extra days to review the complaint, consult with potential counsel, and prepare a response to the complaint. The Court finds good cause to support a 30-day extension. Accordingly, the motion to extend is **GRANTED** in that the deadline for Defendants to respond to the complaint is **EXTENDED** to July 21, 2025.

IT IS SO ORDERED.

Dated: June 27, 2025

 Nancy J. Koppe
 United States Magistrate Judge
